

November 30, 2007 - Press Release

SIMONA AG publishes its first "SIMONA.report"

Published three times a year, "SIMONA.report" is a technical newsletter that focuses on new products launched by SIMONA, as well as presenting a range of topics relating to the plastics industry.

The first issue includes an article on SIMONA® SIMODRAIN® – the first drainage system with EBA approval in Germany – as well as a report on SIMONA® PP-DWU AlphaPlus, a new product designed specifically for chemical tank and equipment engineering.

Published in German, English, French and Spanish, "SIMONA.report" can be downloaded from the SIMONA website. In addition, a subscription service for future publications has been created at www.simona.de, within the "News & Services" section.
