

Declaration of Conformity with the German Corporate Governance Code

On 23 February 2018, the Management Board and Supervisory Board issued the following Declaration of Conformity in accordance with Section 161 of the Stock Corporation Act (Aktiengesetz – AktG):

Since the last Declaration of Conformity issued on 23 February 2017, SIMONA AG (hereinafter referred to as "SIMONA") has complied and continues to comply with the recommendations of the Government Commission of the German Corporate Governance Code in the applicable version of 7 February 2017, as published by the Federal Ministry of Justice on 24 April 2017 in the official section of the Federal Gazette, with the exception of the following departures:

Section 3.8 paragraph 3 – D&O insurance deductible for Supervisory Board

Explanation: The Supervisory Board discharges the duties incumbent upon it with the utmost sense of responsibility. A deductible in respect of D&O insurance would represent no improvement and would provide no additional incentive.

Section 4.1.3 sentence 3 – Reporting of suspected breaches of the law

Explanation: SIMONA will give its employees the opportunity to report, in a protected manner, suspected breaches of the law within the company. In future, third parties will also be given this opportunity via the corporate website. This project is in the process of being implemented. Thus, the company will be in compliance with this recommendation in the near future.

Section 4.2.3 paragraph 4 sentences 1 and 3 – Severance pay cap

Explanation: The current Management Board contracts include no provisions for capping in respect of payments made to a Management Board member on premature termination of his/her contract. The Supervisory Board deems as inappropriate the use of such a severance pay cap.

Section 4.2.5 paragraph 3 – Itemised presentation of Management Board compensation

Explanation: On 10 June 2016, the Annual General Meeting of Shareholders of SIMONA agreed by the requisite three-quarter majority to disclose Management Board compensation in an aggregated format, divided into fixed and performance-related components, rather than disclosing each amount by name. Therefore, no itemised presentation for each Management Board member, detailing specific compensation parameters and using the recommended model tables, shall be provided by the company.

Section 5.3.3 – Nomination Committee within Supervisory Board

Explanation: The shareholder representatives on the Supervisory Board already discuss nominations on a separate basis. Therefore, in the Supervisory Board's opinion the formation of a Nomination Committee is unnecessary given the fact that the Supervisory Board only consists of four shareholder representatives.

Section 5.4.1 paragraphs 2 and 3 – Diversity concept regarding composition of Supervisory Board and regular limit regarding term of office

Explanation: The Supervisory Board supports the fundamental importance of diversity to the company with regard to its composition. However, contrary to the recommendations set out in Section 5.4.1 of the Code, the Supervisory Board has decided against specifying concrete objectives in the form of quotas or absolute figures. As regards its nominations submitted to the General Meeting, the Supervisory Board primarily takes into consideration the individual abilities, knowledge and professional experience of male and female candidates. With this in mind, no regular limit with regard to length of membership for members of the Supervisory Board has been defined. The Supervisory Board is of the opinion that, in particular, the expertise of experienced Supervisory Board members with a proven track record spanning many years and a demonstrable understanding of the industry and enterprise should be made available to the company.

Section 5.4.6 paragraph 1 sentence 2 - Remuneration for Chair of Supervisory Board committees

Explanation: The Articles of Association of SIMONA include provisions outlining special compensation in respect of the role of chairperson and deputy chairperson of the Supervisory Board. Additionally, membership of Supervisory Board committees is subject to special compensation. By contrast, no separate compensation is payable in respect of the chairmanship of a committee, and such a policy is not deemed necessary at present.

Section 7.1.2 sentence 3 – Publication deadline for consolidated financial statements

Explanation: SIMONA publishes its consolidated financial statements in compliance with statutory schedules of disclosure. Owing to the procedures defined for the preparation of financial statements, the aim being to deliver the greatest possible transparency and accuracy, earlier publication would not be feasible.
